Please note that Van Acht can only guarantee frameless doors that have been installed by Van Acht accredited installers. No margin of error can be allowed when installing these doors. Frameless doors cannot be altered to fit; the installation needs to be done perfectly the first time.

### Accredited installers for frameless doors:

<b>Frameless Folding Door Installers</b>	
Reino Borman 082 576 7206	Riaan Frobus 079 862 3717
Jannie JKH Enterprises 082 813 9692	Titus 073 947 6957

**Important Information:** Please inspect all materials carefully prior to installation. Ensure that all frames are built in 100% level and plumb. Treat/ Oil timber immediately after inspection and prior to installation, for example all six sides of a door must be treated. Some carpenters prefer to install the sliding frames themselves please check with them when making an appointment. \* **Make sure your carpenter seals the top and bottom of your door**

*We only recommend using  
V-COAT on all our wooden products*
